Computer Scientist

Computer Science student at Caraga State University with hands-on experience in Python, C, JavaScript, PHP, MySQL, HTML/CSS, and MATLAB. Strong foundation in programming, database management, and web development, with growing knowledge of cybersecurity principles. Known for applying technical skills to coursework and problem-solving tasks, including building, debugging, and improving software solutions. Quick learner with a strong work ethic, clear communication, and a focus on continuous improvement. Eager to contribute technical skills and analytical thinking to entry-level computer science roles.

Skills

Programming	Experienced
C	Experienced
Python	Experienced
